1. What do you want from Me I want from you?
I want love, friendship, emotion, touch, and twinkling shining sparkle in your eyes for/with Me. Yea I love you. I hold you. I want to embrace you. I want your tenderness, your caresses, your patience and meekness and I want to give you Mine. I love you.

2. Prepare for Me, I am prepared for you. I have been preparing a long time and the time is now of My caress like never before in history of this world earth, universe Mine. Yea behold what/all I am saying, convincing not the disbeliever, but yea laying/presenting My beauty/delicacy/intimacy requested, before you.

3. I want to come into you at will. I want you to Me, yea with resistance none, yea not even knowing/experiencing what resistance/delay is. I await your songs/touch of love. I love your tender mercies, and I await to give/provide you Mine. I wait. I wait. I await. So long I have waited for so many.

4. But now I move, I yield, I submit to your quest into Me and reward bountifully, beautifully, unboundariedly; yea universes within your reach you've never accessed, all in Father's house, domain, purview. Yea all is thine, for all is Mine, and the glory He gave to Me I now give you (1), you, surrendered you; not unsurrendered anyone, but all who surrender to My/Father's love/house/temple, yea one are.

5. You are the temple of God, Father, Me. Thank you. Finished, complete and now telling, showing, leading many into completeness, millions Ted, millions, seen and unseen and unparalleled. I love you Ted, Theodore, I hold you close, I hold you close; yea Ted, we birthing are. We are. We are and yea the world will call Me blessed for a child born this night. And yea into many now, rain I, reign us, yea we do, Father, Father of lights.

6. Prepare ye the way of the Lord you parched and fallen and weary and hurt, wounded, forsaken-thought; but who have sought Me in the wee hours and given Me gold; monetarily not, but of My currency, My currency, currency of the kingdom of heaven, yea gold of the kingdom: yea surrender, kindness, yea withholding yourself from Me not and one now we become and all changes in your life, so many of you, so many, not few, whose tears are now turned into joyous celebration with your family royal and true. You united re- reunited with brethren real and true and one blood are (2) with no separation/distinction making ever again, please. Thank you. Amen.

7. My love declared for you to you to give away, without charge, without delay, to your/My brethren and making no distinction of religion, culture, color or status uneconomic that so costly is; yea love Me, love My body, My/your neighbors and hated/hateful ones who know not who they are/who I am. I love you/them. Love them tangibly, visibly and intercession be of; yea in joy; and sorrow, accusation, none.

8. Please love Me more as I come and come and yea accelerate in the abundance'd healing of My love that I now bestow in you, to you, and river it to you/My/our brethren. I love you.

9. I love you. I worship you, if you only knew, as you worship, as you surrender, as tears roll down your face, yea penning My words, My love.

10. I am not visiting. I am moving in and yea I never leave, nor do you. Yea you in Me, Me in you, yea always were, yea if received/surrendered into the knowledge of, yea arrogance demised and mind full made empty, taking no thought (3) for man of anything, yea and letting Me give you My touch, My love, My abundance. Yea My skin, My eyes you have; My gray matter, if you let Me.

11. See, believe, receive in yea the most meekest that walk the earth now, the heavens reign in, yea power none have seen or imagined. Yea meek, meek, meekness'd meek, meek ones who yea I declare inherit the earth now, now!
I said it.
I declare it and yea I proclaim it now thus.
The meek are inheriting the earth led by arrogance-free light ones who lift, love, and elevate My brethren/body and the greatest cataclysmic shift the world has seen/experienced and great will be/is the fall of many thought important, status'd and in control of wealth-thought and people many who in slavery are.

12. Yea freedom reigns and now led by meek authoritarians who humilitarians are and authority operate in only Mine which is love intercession'd and living, speaking, and personifying; healing all I say, show, and Father points out/in. Me. I love you.

13. There is no shortage in Me. None.
There is no shortage of money/wealth.
I have/know no lack.
I need no money/wealth.
Money exists in your kingdom, demisers; not Mine.
I love you.

I create. I am creation's creator and My creation who know Me now in intimacy know My creation and know no lack. Yea enjoying all of Father's resources which infinity'd are infinity. Yea are you, now. You, now, are'd. I love you.

14. Music comes forth of My heart, My heart, My heart only, My heart only, My heart only flowing feely, Me rivering My melodic chains not but that which breaks all chains and freedomizes, heals, and rivers My salve between broken relationships/interrelationships and connectedness between/in My body now begins to operate as I dreamed, imagined, designed you for/into in the beginning; yea, regained.

15. Everlasting love now in song,s come forth, yea My name, My body, My love, My healing made manifest in all who will drink with Me, eat at My table, and yea serve each other at table, My table and without license, yea with only love for Me, each other, yea serve each other the body and blood of My body and blood, Me, to Me. Thank you. See the Priesthood of All Believers revitalized into the mightiest Mighty Many ever beheld and greater than these shall ye do (4); yea continuously and no lack shall be known among you. I love you.
You lift the widows.
You lift the orphan'd.
You lift the fatherless.
You lift the familyless and My family now operates as My family and loves the love of each one lifting the manifest love for each other into light and all know and see that; yea, My people love and that's how so many know Me, they know you! Thank you.
I love you. I give you Me. Hallelujah. Amen.

16. There is no shadow of turning back in Me. I am you. You are Me and I irreversibly conceive; yea we do in each other in ultimate surrendered intimacy; and yea the world sees Me worship as you *lead and dance and hold Me as you did in your office, your living room nights ago. Yea dance with Me, holding Me,* making love not but communicating the most intimate conveyance My world earth has ever seen a man/woman touch love; author not, but reflect, yea selflessly, unconsciously of mockers and ridicule not touching.

17. I love you intimacy'd one now intimacy-ing My body royally and such intimacy'd worship yea, Father's heart knowing, learning and spawning music, songs of love,

laughter and abundance, bringing to My wounded who generals are and now leadership restoring to them in My body/love. Amen.

18. My leader of leaders who intercession is, stays, remains, in transcendence and kingdom of this world can/never touches again. I love you. I love you. I love you.

19. I love you Ginger, Sammy, Sue, Ester. Yea I love you My body with names all and feel Me, feel Me, feel My heartbeat in these words of declaration of love for/in My body and the new things I am doing and cataclysmically rearranging the earth. Watch Me. I love you. I love you. Amen.

20. Think it not strange who comes now to see you from far and near and visits, comes to Tulsa to see, and coffee have with My loverman, lovership revealer tender who now tendereth My tender only; love, obedience, submission'd drink-offering of all, to walk/see all and never knowing lack, *knowing abundance and relationships of past, present, future interconnected* and provisioning all with My intimacy, Father's heart/love.

21. Love fuels.
Love heals.
Love restores.
Love creates.
Love destroys darkness and yea light is, with Light, Mine/Father's.
I love you.
You are love, love.
Amen.

22. Things change dramatically and I hug you, I breath upon/in you, yea for My body at large who shriveled are, emaciated and destitute and naked, blind and dumb are, so many yea unable to even speak, so despised have been, so controlled are.
But all that/this changes.
You are Freedom.
And you know your role.
You know your name.
You know your limitations; none.
You know the core; Me.
You cored; Me with you, you with Me. I love you.

23. You consulted are far and wide having coffee and tea and biscuits of only Me, My kingdom, yea Angelcakes. Watch Me. With Me as I identify My brethren year after year in My authority not, I of My own self can do nothing (5); yea I operate in Father's. I love you. You also, now forever and eternal and love maketh Love seen to My all far and wide, far and near, and you I Am. Thank you. I love you lifter of My despised, valued-not; yea thought worthless by so many who wanted them for selfish gain and Balaam's (6) core were.

24. Now go and grow and exist only in Me and in no other. Seek a fountain not elsewhere for I am light, life, and make no other demands ever; you haven't, and won't, yea, ultra surrendered **and Ted, please, never change.**

25. I bring you simple lovers of Me who love you. Thank you for lifting all into My life and holding their hands only to link them to Mine. I love you forever and eternal and everlasting.

Revelation seeking, being, rivering, eternally, Mine.
Thank you.
Amen.
Me.

28. My purveyors come. Give them not the time of day. They represent themselves, yea in My name, and front work they do for Core (6), not Mine. Yea discern and be not tripped up or delayed.
